

## Brandon Trowel

### Employee Benefits Broker

Brandon Trowel serves as an Employee Benefits Broker with InterWest Insurance Services. He specializes in the consultation and management of employee benefits, including and not limited to: Health, Dental, Vision, Life, COBRA Compliance, Employee Assistance Programs, HR Consulting, Long-Term Care, Section 125 Plans, and Voluntary Benefits.

Through InterWest, Brandon offers a wide range of value-added services to help make management of employee benefits trouble-free for employers. By assisting organizations in the development and administration of an overall employee benefits program as well as managing carrier negotiations and resolving claims & administrative issues, InterWest's Employee Benefits Division acts as an extension of employers' Human Resource departments.

"I understand the difficulties employers face due to growing up watching and

eventually assisting with the operations of my parents' business. Helping employers have the information they need to make efficient informed decisions to meet organizational goals and providing administrative support is what we're here for."

Completing the Risk Management-Insurance business concentration at California State University, Sacramento, he also has experience in Human Resources and Finance. He is a member of the Society of Human Resource Management, Sacramento Area Human Resource Association and National Association of Health Underwriters.

Brandon grew up in the Sacramento area and now resides in Elk Grove with his wife and daughter. When not spending time with family, Brandon volunteers his time with Rotary, Active 20-30 and as an Advisory Council member for BYLP.
