

Derek Parsons

Benefits Broker

Derek Parsons joined the Redding office of InterWest Insurance Services as an employee benefits producer. After graduating from California State University, Chico in 2006, Derek began his career with Kiewit Pacific Co. As a Business Manager, he gained a solid foundation in construction business management for a large national employer.

His goals for 2009 are to continue his involvement in the California Deer Association as Committee Member, continue to hold the position of Treasurer for the Toastmasters Toast at Noon Club, graduate from the 2009 Leadership Redding Program and obtain his Registered Health Underwriter designation by January, 2010.

Derek's specialties include Employee Benefits plans for 20 to 200 employees, ancillary benefits, COBRA, Section 125 Plans/Cafeteria plans, HIPPA, ERISA, online benefit administration software, online Human Resource documents software and Fringe Benefit Plans for non-union prevailing wage contractors.

Derek has lived in Redding for over 16 years and in his free time, enjoys hunting, camping, investing, AKC retriever training, friends and family.
