

Dave Ward, CPCU, ARM

Commercial Insurance Broker

Dave Ward is a Commercial Insurance Broker with InterWest Insurance Services, Sacramento Valley's largest regional insurance brokerage firm. Knowledgeable of most insurance coverages, he has particular expertise in Directors & Officers Liability including coverage for publicly held, emerging growth, and initial public offering (IPO) companies. He brokers a broad spectrum of risk management accounts ranging from technology and hydroelectric clients.

In 1991, Dave earned a Chartered Property & Casualty Underwriter (CPCU) professional designation followed by Associate in Risk Management (ARM) professional designation.

Dave previously served as Executive Vice President for a large international insurance brokerage and Branch Manager for a leading national insurance company.

Dave and his wife Colleen are 25-year residents of the Sacramento area. He is a retired US Navy Captain having served 30 years on various reserve and active duty assignments. Dave is a long-term member of California State University, Sacramento Business College Advisory Council.
