

Eric Isaacson

Commercial Insurance Broker

Eric Isaacson joined InterWest Insurance Services in May, 2011. Prior to joining InterWest, Eric worked in his family's dairy feed mill. His great-grandfather started that business in 1916 in San Jose, CA. The business moved to Morgan Hill in 1970. After the sale of the business in 1996, Eric managed a cattle ranch in Hollister. In 2009, he went to work for Liberty Mutual and started his insurance career. While there, he specialized in personal lines and was a top producer.

With his knowledge and experience of the agriculture industry, Eric is looking forward to building a book of business in commercial lines at InterWest. He is dedicated to helping his clients manage their risk in a competitive marketplace.

Eric lives in Gilroy and will be working out of the Hollister office.

When not in the office, Eric enjoys team roping and competing in ranch rodeos.

Eric has two daughters, Courtney and Andie. Both are attending school in San Diego.
