

## Karrin Engstrom

---

### Employee Benefits Producer

Karrin Engstrom started her career in the healthcare industry in 2009 as an employee benefits consultant specializing in the development and implementation of health benefit programs for employers through creative plan design and an interest in helping employers reach their benefit goals.

Prior to healthcare, Karrin was a commercial real estate broker representing landlords and tenants with all forms of commercial sales and leasing needs. Karrin joined the experienced team at InterWest and looks forward to continuing to assist the growth and principles in the benefits division.

Karrin graduated with a Bachelor of Science Degree in Business Management in 2002 and is a member of the National Association of Health Underwriters.

Karrin grew up in the Sacramento area and currently resides in the Folsom area with her family. In her spare time, she enjoys running, biking and traveling with her family and friends.
