

Mark Blofsky

Vice President

Mark Blofsky began his career in insurance immediately after graduating from California State University, Chico, in 1982 with a Business Administration Degree.

At that time, he joined Lindo, Hanna & Abbott which was considered the region's premiere independent agency. After working in the personal and health insurance areas, Mark decided to focus on commercial lines within the greater Chico area.

Shortly after the merger of Lindo, Hanna & Abbott with Noack & Dean of Sacramento and the formation of

InterWest Insurance Services, Inc., Mark became a partner in the new corporation in 1992.

Mark continues to work in the Chico area with a focus on construction clients and holds the Construction Risk and Insurance Specialist (CRIS) designation.

Mark currently serves on the Board of Directors for the Valley Contractors Exchange and is a board member of the Chico Noon Rotary Club.
