

Micki Kindel

Commercial Insurance Broker

Micki Kindel joined InterWest Insurance Services in 2004. During the course of her diverse 30-year career in commercial insurance, she has proven to be a skilled and highly ethical professional. Her commitment to the insurance industry is apparent in her knowledge of industry standards and procedures.

Micki specializes in insuring social and health services agencies. She has solid ongoing relationships with a wide variety of clients within the Human Services Industry, thereby giving her an insiders understanding of their unique business and insurance needs. Micki also maintains strong underwriting relationships with the insurers who focus on this industry. As Chair of the Human Services Focus Group at InterWest, she leads quarterly meetings with the purpose of discussing current industry issues and new insurance markets, as well as development of innovative resources to assist InterWest clients.

Prior to becoming a broker, Micki worked for many years at Fireman's Fund in Sacramento where she was a Senior Casualty Underwriter; developing excellent communication skills and persistence in negotiations. Other positions Micki has held during her long career include Marketing Underwriter, Marketing Manager and Chief Operating Officer for various Sacramento commercial insurance agencies.

Micki has traveled extensively, having been raised in an Air Force family. She moved to Sacramento as a young newlywed in 1976. While developing her insurance career she married Tom Kindel and raised four children. Her volunteer activities have been heavily focused within the school district (site council, PTA secretary, high school task force), as well as the social service community.
