

Phil Watkins, CRIS

Vice President

Phil Watkins, a Northern California native, specializes in construction, manufacturing, medical office and property risks, engaging InterWest's considerable resources to design insurance solutions for many unique industries. Knowledgeable in insurance coverages and having been in the insurance industry for 26 years, Phil is a partner and Vice President at InterWest. He earned his Construction Risk and Insurance Specialist (CRIS) designation in 2006 and has been a licensed contractor since 1992.

Phil is an active participant in the local Redding community. Phil served as a board member of the Shasta Chapter

of the American Subcontractor's Association. He also served as president of the Kiwanis Club of Redding. Phil is a past member of the governing boards of Redding Specialty Hospital, Guardian Rehabilitation Hospital and Redding Medical Center. He currently serves on the governing board of Shasta Regional Medical Center and is a member of the Shasta Regional Medical Center Foundation.
