

Steven L. Williams, CIC

Vice President & Executive Board Member

Steve Williams started his insurance career with Insurance Associates of Redding, a predecessor organization of InterWest Insurance Services, in 1983. From his twenty-seven years in the industry, he has acquired a solid background in commercial insurance and risk management. He has also served in leadership positions, previously as the President of the Independent Insurance Agents Association and currently as a member of the Board of Directors for InterWest.

Steve represents a large number of general and trade contractors, manufacturers, distributors, and financial services professionals. He also specializes in educational institutions. Steve works with clients to develop creative risk management solutions for their unique business risks.

Steve graduated from California State University, Chico, with a degree in Business Administration, obtained the Certified Insurance Counselor (CIC) designation and is currently working to complete the Certified Risk Manager (CRM) designation.

A third-generation Redding resident, Steve is actively involved in giving back to the local community through leadership and philanthropy, both in his role as a board member of Turtle Bay Exploration Park and through his commitment as an active member of Redding Rotary.

Steve feels the best partnership is to listen to his clients and help them lower their cost of risk and increase their profits.
