Cyber Liability and Technology E&O

We are proud to offer three convenient training opportunities for employers to gain additional knowledge in the following areas:

Cyber Liability and Technology E&O

Presented by: CHUBB Limited Group Cyber Liability
Sr. Underwriting Specialists

Today's evolving cyber threat landscape creates significant challenges for even the most security & privacy-conscious organizations. Increasingly sophisticated tactics are defeating traditional approaches to cybersecurity, leaving organizations vulnerable to the costly and disruptive consequences of a data breach or other network security failure. Preparation and awareness at all levels are essential to reduce the likelihood of a breach and minimize its impact. Fortunately, organizations are not alone in this battle. Join Chubb's cyber underwriting team and experts from Chubb's Loss Mitigation Services panel to learn more about the importance of managing cyber risk and implementing effective loss mitigation strategies.
